Education

University of Moratuwa- Sri Lanka *March 2024– ongoing*

B.Sc. Eng. (Hons) in Computer science & Engineering

- **Coursework:** Data Structures and Algorithms, Computer Organization and Digital Design, Database System, Data communication and Networking, Program Construction, Calculus, Probability and Statistics, Introduction to AI, Operating Systems , Thermodynamics , Differential Equations

Rippon Girls' College ,Galle - Sri Lanka *January 2014 – January 2023*

- GCE Advanced Level 2022 (Combined Mathematics, Physics, Chemistry, General English): 4 A (distinction) passes, Zscore = 2.5793 , Island Rank -157 , District Rank -23
- GCE Ordinary Level 2019 : 9 A passes

Nagoda Royal College *January 2009- December 2013*

Projects

Soyuru Sathkaraya 2024/25 *Dec 2024 - Jan 2025*

- Collaborated with a team to teach to O/L students Mathematics

UI Design for Rainfall Data Collection App *Jan 2025*

- Designed the user interface for a mobile app and created intuitive UI elements for logging rain event data, including start/end times, GPS location, and rainfall intensity (5-level scale) ◦ Tools Used: Figma

Nano-Processor Simulation Project (Group) *April 2025 - June 2025*

- Gaining hands-on experience in digital design, hardware description languages, and low-level programming ◦ Tools Used: Xilinx Vivado, VHDL, Assembly Language

CyberHeist Game Development (Group) *May 2025*

- *Assisted in the planning and conceptual research for a cyber-themed educational game.Focused on game logic, UI/UX design , and security-based learning elements.*

ModelX Competition(Group) *Dec 2025- Jan 2026*

- *Selected for the second round of the MODEL-X National Hackathon, where we developed and pitched a real-time risk intelligence platform. Previously won Round 1 by building a predictive AI model to assess dementia risk using nonmedical user data.*

EcoSpark 2025 *Sep 2025*

- *Top 10 finalist at the Innovative Idea Challenge 2025 for developing an innovative, impact-focused solution to a realworld societal problem.*

BrightBuy E-Commerce Platform (Group Project/ Database systems) *Sep 2025*

- *Contributed to the development of an e-commerce web application by building the admin dashboard and supporting frontend components.*

Soft Skills

Leadership Skills

- *Co-Chair - IEEE Women's day Webinar Session 2025*

Team Collaboration

- *Design Committee Member-IEEE Power and Energy Society (2025)*
- *Publicity Visibility Committee Member-IEEE Robotic and Automation Society (Robotics day 2025)*

Technologies

Programming Languages Tools: Python, C++, C, Java, Rust, Html, CSS, JS, GO

Design Tools: Figma, Canva

Language Proficiency

- English(Intermediate)
- Sinhala (Native)

Extracurricular Activities

- **Senior Western Brass Band Member, Rippon Girls' College** : Represented the school as a percussionist in national-level competitions.
- **All Island 3rd Place – Western Brass Band Competition (2020)** : Secured 3rd place at the national level as part of the percussion team.
